

## Alexis Raquel Franco

July 27, 2001 - July 8, 2021

Alexis "Alex" Raquel Requena Franco was sadly taken from us in the early morning of Thursday, July 8th, 2021. Alexis was born to her Mother, Monica Requena Tello on July 27th, 2001 at Desert Regional Medical Center in Palm Springs, California. Raised in Cathedral City, Alexis grew up loving music, she would always be dancing either by herself or with her family. She was an old soul, she loved listening to her vinyls on her record player. There was never a dull moment when you were around her, either making you laugh in her silly ways and always made you smile, even if you were sad. Alexis always had a passion, and a natural talent for makeup. She would always be doing her makeup or the makeup of others beautifully. Anywhere she would go people would tell her she was beautiful, because that's what she was, inside and out. She had dreams to get her high school diploma, go to cosmetology school, and to start her own business. Alexis was as silly as she was feisty, if anyone told her anything she didn't like she would tell them what she thought, or if anyone told her siblings anything that was mean in any way, they would be hearing from her. Alexis was a protector to everyone she loved. Alexis had the spirit of a lion, because she was strong, gorgeous, fierce and, she was a leader. When Alexis was little she used to be afraid of the ocean but she grew to love it, and any chance she got, she would want to go to the beach. Alexis will be deeply missed and her legacy will live on through her Mother Monica Requena Tello, her two brothers, three sisters, grandmas, grandpa, her boyfriend, her aunts, uncles, and cousins.
