“ *Please accept my heartfelt condolences. Mrs. Ledebur was such a giving lady, and was especially generous during a time of need in my life. As a friend of Harry Jr., she welcomed me into her home on several occasions and treated me like one of her boys. I have such fond memories of her and time spent at the Ledebur house in Ohio. I celebrate her life well lived, and will be thinking of Harry, Craig and Rob and their families at this difficult time.*
