“ We remember David as a kind man and a good man of character and who loved the Lord.
As an usher at our church, Calvary Chapel La Mirada, David was always there with hellos and a smile.
Troy and David were friends and Troy looked forward to finding David after service to chat. Troy and I loved Sandra and David and enjoyed time talking with them after service. We were sad when we knew they were leaving to move to the desert and then missed not seeing their presence at church any longer .
To the family, we are grieved for your loss. We rejoice though that he has fought the good fight and is in the presence of his Lord and Savior Jesus Christ.
Prayers for continued Blessings over his family as they move forward in life.
We are sorry that we were unable to attend the service yesterday but you are in our thoughts and prayers.
Love, Troy and Karey Abbond, in the name of Jesus Christ.

*David and I served together as ushers at Calvary Chapel La Mirada, he was always diligent and a faithful servant. He is in the presence of our Savior now and I can't help but think of him after reading this verse, But it is written:
"Eye has not seen, nor ear heard, Nor have entered into the heart of man The things which God has prepared for those who love Him."
David loves Jesus!*

David my friend, you will be deeply missed but there is joy in knowing that as a result of God's saving grace who reached down to us both, rescued us from ourselves and caused us to be born again to a living hope, we will meet again. Until then, enjoy your new life in the presence of our Lord and all the other hosts of heaven. I will see you soon bro, love you, Your friend Tudy Ramirez.
