“ *Aunt Donna Mae was always fun to be around. I have some fond memories of her during the holidays many years ago when the family would get together. I would like to think that they are all together now and having one of those ravioli dinners just like back in the day.*

“ *Donna took us to one of her favorite restaurants/entertainment venues which was Frank's Place Restaurant in Indian Wells. We had a wonderful time - there was a live band with "Frank" singing and there was dancing. We had a lovely dinner and took some great pictures afterwards!! Lovely night and a lovely memory! Love, Lisa Francoeur (Donna's niece)*
