

Mr. Joshua James Bartel

March 20, 1979 - July 21, 2021

Joshua was a very upbeat and positive person. He always showed consideration for others. Joshua grew up in Palm Springs, California where he attended elementary school in Palm Desert. He played youth soccer as a goalkeeper for the Cobras. He spent his teenage years in Utah where he completed his general education and earned a high school diploma.

He also participated in many youth programs in Utah, such as wilderness and survival skills. He enjoyed the company of many friends during his lifetime.

Always original in his style. He always had a smile and fun sense of humor.

One of his favorite pass times was skateboarding. He was so good at skateboarding that he could have gone pro if there had been 'scouts and sponsors' in his day. By the time he was 19 the first skate parks were being developed. He was one of the first skaters to do the "Alli".

Joshua also enjoyed many Hollywood movies. He also enjoyed music and breakdancing in his early teenage years. The mosh pits, in his teenage prime.

As an adult he read a lot of books. He worked as a firefighter for some time.

Archery and the outdoors were among his favorite pastimes, as well as martial arts and free hand climbing. He will be missed, loved and remembered by his friends and family
