“ Happy birthday in heaven Mom. You finally got your wish to be with Dad but you have left us all so sad that you are no longer with us. I have picked up the phone so many times to call you until it hits me that you are gone. You were a wonderful Mom and taught me so much about being a good person. I will cherish your memory the rest of my life and don't know how I will fill this void in my life. Thank you for sending me the sign that you are okay. I know that you are watching over me and I promise to always make you proud of me. I love you Mom. RIP
