

Mary Jane Washington

May 5, 1942 - August 15, 2024

In loving memory of my Mother Mary Jane Washington

Mary Jane Washington was born on May 5, 1942 in San Antonio, Texas to Will and Perline Phillips. She was the oldest of eleven siblings. My Mother is so extraordinary she was hand picked by Jehovah God to be my Mother. Jehovah knew just what kind of mom I needed, this is why it's extremely hard for me to accept the fact my Mother is gone. All those who mistreated her while she was sick I will never forgive plus Jehovah God will take vengeance on all parties that mistreated her while she was sick. Rom 12:17-9

Not only was she drop dead gorgeous with beautiful blue eyes when she would walk into a room all heads would turn. To be such a beautiful woman she was also so humble, smart, very spiritual and had a great sense of humor to add to that.

She loved animals and children. I don't have enough pages in a book to describe just what a fantastic Mother Jehovah gave me. We did everything together; we had so much fun. She is the apple of my eye and a sweet heart.

She is survived by her six children, five girls and one son. I am her first born Evette Washington, miss fancy she would call me. Her baby daughter Tacsha Washington. She has seven grandchildren, five will be mentioned: Evona

Washington, Diora Washington, Sharmar and Shandar Washington her twin grandsons Diangelo Washington. She was blessed to have six great grandchildren three will be mentioned: Dorian Washington, Doriana Washington, Delana Washington.

She was married to my Father, Cecil Washington on March 1, 1961. She being Eighteen years old my dad twenty years old. My parents were outstanding, attractive, beautiful couple. My dad being a super star basketball player for the Harlem Clowns and my Mother being a model and a superb hair stylist. She being a fantastic hair stylist she made all five of her daughters and granddaughters hair look like Miss Universe! My parents were married sixty years, sad to say my mom became a widow in 2021. My Mother remains strong she always tried to stay positive through the worst trails she encountered in her life she kept her dignity, grace. She loved our God Jehovah. It was Jehovah God who gave my Mother strength beyond what's normal to withstand her hardships she experienced during her life time. Philippians 4:13

To keep her family together as our matriarch she will be greatly missed. The love she showed to her family even to others she encountered. She loved to read the bible. She had such great common sense along with wisdom beyond her years of life. My Mother always smelled so good even as a little girl I remember when I would hug her she smelled delightful and delicious. She always taught her daughters that women should have a future which is perfume where she left a trail of sweet smell behind her. This is why I am so obsessed with perfume. I can't go a day without it. My Mother dressed superb she was a black ZSA ZSA Gabor. She had more hats, suits, shoes, jewelry, and clothes than the average woman. She also was a wonderful cook. I mean she cooked so good she had you coming back for more. Not only was she my everything she was multitasking with all the responsibilities she had she accomplished a lot. She was also an interior decorator. she used her touch of

class, style, and glamor. She made our home beautiful. It was home sweet home. Even when my Mother got older she still looked pretty for her age. My Mother is a woman of integrity with high morals in her bible principles and values. She was baptized to Jehovah on September 5, 1976. 48 years my Mother is a diamond she shined so bright she made Jehovah proud I know my Mother has Jehovah's smile of approval.

You may wonder how can such a woman be all of this? Well it's all very true that is the kind of Mother I had. I still can't believe I lost her. It's like a nightmare. I am very devastated and very upset and sad. She was such a wonderful person, I will always love her for the wonderful Mother she is. I cannot wait to greet and kiss her and tell her I love you in the beautiful paradise earth in the resurrection hope PS 83:18 There my Mother will be able to see me with my own husband and children that she very much wanted for me. Mom words can not say how very much I miss you and love you. You're no longer in pain. Rest in peace mom. Your first born daughter Evette Lashell Washington miss fancy, she's mayflower 5th, 1942. Fall asleep in death on August 15, 2024. Written on August 18, 2024

I am Mary Jane Washington's Baby daughter Tacsha Washington. My Mother passing away has left me in great grief to where I can not be around her urn or talk about her. I love my Mother deep in my heart. I can not believe she is gone it's like a bad dream that I want to wake up from. My Mother was my support, my counselor, and friend. I miss our mother and daughter talks. I will wake up each day and call her just to hear her beautiful voice that brought me such comfort. We had so much fun. Just talking to my Mother would sooth my nerves, pains, and troubles. Even when she was tired she would always listen to me. She was such a good listener. She would always show me love, patience, and kindness. I could tell her anything. The nicknames she called me cake, rump shaker, baby girl, lady T will forever stay

in my heart. I love my mother this is why it's so hard for me to accept the fact that she is gone. It's hard for me to keep going. I must because I know my mother would want me to keep going to be strong after all she taught me so much about Jehovah ever since I was a baby she taught me many bible scriptures we will talk and read the bible over the phone.

My mother is so pretty. In fact I look just like her. She had beautiful blue eyes I inherited her eyes. I have beautiful green eyes this made our father smile because me and my other sister had this lovely feature from our mother. My mother was everything to me. When I got married and had five children of my own my mother was there through good and bad times. My older sister and I are momma girls and this is why it's like a cut to my heart to lose her. I still keep telling myself she is ok and that nothing happened to her because I don't want to let her go. I love my mother I am longing to see my mother again. I know she will give me that beautiful smile and be happy to see me, my sister Evette, my five children, and my three grandchildren again in paradise earth. Mom I love you and miss you rest in peace. Love your green eye baby girl Tasha Washington. Written on August 18,2024.

From Diara and Great Grandkids

Dear Grandma,

I can't believe you are gone. We are all soo devastated that you are no longer here with us. You loved us all soo deeply, and we felt it. I hope you were able to feel our love pouring right back at you when you were here. Because we loved you sooo much. Then, now, and forever. You were one of the best grandma's any one can ever ask for.

Thank you for highlighting the vow of marriage. You and Grandpa shared 60 years of marriage together, and it was an honor to witness both your love and friendship with each other. It helped ease the sadness of your death to know that Grandpa was waiting for you on the other side in the paradise earth.

I am going to miss everything about you, Grandma.

I am going to miss seeing your phone calls, hearing your beautiful voice, seeing your beautiful face, kissing your cute little soft cheeks and giving you big bear hugs.

I am going to miss our conversations. How we could cover such a broad range of topics in a single conversation is beyond me. You were always a phone call away if we ever needed any advise, support, or just to hear your lovely voice.

I am going to miss having our Bible studies and talks about Jehovah and all your beautiful scriptures and prayers.

I am going to miss me and your great grand kids going to visit you. You were always soo much fun, full of joy, loving, caring, giving, patient, wise, most of all just a beautiful person inside and out.

Thank you for always being there for me growing up when I felt I had no one else you were always there without a doubt.

Thank you for all that you've done for us throughout our childhood up until now. I will never forget all the good times we had with you and grandfather.

Each photo and video that I have of you will always be an immeasurable treasure to me and your great grandkids forever.
