

Nelson Edward Horn

March 9, 1944 - April 16, 2023

Nelson Horn, a man who exemplified dignity, grace, integrity, and courage, passed away on Sunday, April 16, 2023, after enduring months of illnesses that tormented him. Despite his health struggles, Nelson lived his life with an unwavering determination and the heart of a lion, which he developed during his upbringing in Holyoke, Massachusetts, where he grew up alongside his sister Gretchen and Ruthann. After obtaining a BS and MBA from the University of Massachusetts and Illinois Benedictine, respectively, Nelson pursued several specialized leadership and professional courses throughout his career in the Power Industry, where he held various positions, including Vice President of Sales and Marketing at ABB Environmental Systems. He was married to his high school classmate and wife of 57 years, Judy, and they had two children, Ethan and Meredith (deceased), He left behind two grandchildren, Abby and Cayden whom Nelson adored, their parents Ethan and Becky and many nieces and nephews. Throughout their careers, Nelson and family had the privilege of living in several states: MA, CT, OH, IL, CA, AL, and VA. Following their retirement, they became realtors in Palm Desert, CA and surrounding cities, which they thoroughly enjoyed. Although Nelson is no longer with us, his family and those who had the good fortune of knowing him will always remember the indelible mark he left. His family takes solace in knowing that he is now free from pain and reunited with his daughter, Meredith, and other loved ones who have passed away before him. As Judy put it, "All people die, but not all people live and love," and Nelson truly lived

and loved. Rest in peace, Nelson.

“ *Judy and family, we are so sorry to hear of Nelson's illness and passing. We know that family was first in his heart, but he also created an extended global family of colleagues who respected his expertise and enjoyed his humor and energy. A life truly lived well and large, he will be remembered. With deepest sympathy, Nancy Mohn and Bob Keen*
