“ *I will miss Rena very much. I can't remember ever meeting anyone with a warmer smile. I am very grateful I was able to see Rena (one last time) and Harry last May when I was in CA. While we spent many-a- Christmas as a child in CA with them, the kindness behind her eyes is ever-present, unmistakable, and heartwarming. Harry, I wish you peace as soon as your heart allows. I'm so sorry.*
