Rest In Peace to my Father My heart is shattered, but I'm holding on to the love, strength, and wisdom you gave me. You were my hero long before today, and you'll continue to guide me for the rest of my life  
Nothing prepares you for this kind of pain... but I know you're finally at peace, watching over us

Thank you for every lesson, every conversation, every moment Your legacy lives through me, through our family, and through the lives you touched  
I love you forever, Dad Fly high, and rest easy  
FOREVER YOUR DAUGHTER

For My Grandpa Roy Lee Mercer:

My Grandpa's love lasts forever

My grandpa was more than just a grandpa to me, he was a natural comedian, a self- person, and loving in his own way. I never thought I'd see this day coming anytime soon to say my last and final goodbye to my grandpa, losing one of the few people who I loved most. Nobody could've told my grandpa anything, he still did what he wanted to do at the end of the day. serious or not. I remember my grandpa by his smile, laugh, and voice, it was all one of a kind, no one could laugh, smile, joke around, or even talk like my grandpa roy, and that was what was so special about him for me. I grew up many years around him and throughout the years, my grandpa always was somewhere in

between my life. We shared serious and non serious conversations, we shared funny moments together, we even had our disagreements. / know that some of the things my grandpa liked were, the casino, listening to rap and r&b, he loved to eat anything my grandma cooked, he liked getting his hair cut, and most of all he liked being around me, my auntie, and grandma. At the end of the day, my grandpa was a strong man, and to find out that the person I love is no longer here with me to share any laughs, conversations, and checkup on once in a while, makes me feel sad, and empty, but I know that my grandpa is in a better place and that he is at peace, I will always love my grandpa and cherish every moment we spent together, forever.

I leave behind family and friends forever watching my loved ones

To the love of my life I loved you in this life and I always will in the life rest in peace my love your companion in life Joyce

Psalm 23 Prayer

Lord, You are my Shepherd,  
and I place my life in Your gentle care.

Thank You for providing what I need,  
for leading me into moments of peace,  
and for restoring my weary soul.

Guide me along Your paths of goodness and truth.  
When I face shadowed valleys and uncertain days,  
remind me that I do not walk alone.

Your presence strengthens me,  
Your comfort steadies me,  
and Your protection surrounds me.

Bless me even in the midst of challenges,  
and let Your favor rest upon me like oil on my head.  
Fill my cup with hope, courage, and joy  
until it overflows into every part of my life.  
May Your goodness and mercy follow me today and always,  
and may I dwell in Your loving presence forever.  
Amen.
