December 7, 1950 - July 29, 2024

Palm Desert, CA - Timothy "Tim" Patrick Snyder, 73, of Palm Desert, CA, formerly of Bloomington, IL, passed away July 29, 2024 at Eisenhower Medical Center.

Tim was born on December 7, 1950, in Cedar Rapids, IA, to Richard and Dolores Snyder. He graduated from Central Catholic High School in 1969 and went on to study Business and Finance at Illinois State University. Tim proudly served in the United States Army, spending a memorable year stationed in Berlin, Germany. Following his military service, he joined his father's company, Nordine's Heating and Cooling, where he dedicated many years to its growth and success, eventually acquiring and leading the business. Tim retired in 2015 and moved to Palm Desert, CA, where he enjoyed his well-earned retirement.

Tim was preceded in death by his youngest brother, David, and his beloved parents. He is deeply missed by his wife of 51 years, Jerrilyn "Jerri" Snyder, and his children: Joanne (Matt) Smith, Michael (Anna) Snyder, Christine (Christian) Kirov, and Ann Lukachik. He is also lovingly remembered by his siblings, Constance "Connie" Stolp and Richard "Rick" Snyder. Tim's legacy lives on through his eleven grandchildren: Brandon, Devin, Andrew, Breeann,

Madeline, Melanie, Ethan, Alexis, Alexander, Lili, Calvin, and one great grandchild, Roman.

Tim had a vibrant spirit, eager to gather new experiences and create cherished memories. He found immense joy in rockhounding, fishing, and hiking, and delighted in gardening and playing a round of golf. Whether he was cruising on his recumbent bicycle or sharing laughter with family and friends, Tim embraced opportunities to connect with those around him. His extensive collections of rocks, stamps, and coins were more than just hobbies; they were a testament to his passion and brought joy to everyone who shared in his enthusiasm.

Tim was the quiet strength of his family, and his unwavering dedication and hard work were evident in everything he did. Whether it was the long hours at Nordine's or the weekends spent fixing things around the house, he was always the steady foundation upon which his family relied. His ability to find joy in everyday moments taught all who knew him to appreciate life's simple pleasures and to embrace its lighter side. His sense of humor brought constant joy and laughter to his loved ones, creating cherished memories that will forever be woven into the fabric of his family. Those who loved him will hold these moments close and carry the countless lessons he imparted with them always. We are profoundly proud to be his family and will hold him in our hearts with everlasting love
