“ Hey daddy, you left this world 1 week ago today. I just can't believe you're gone! I thought you'd live forever. But, I have so much comfort and faith knowing you're in heaven and preparing a place for me! You are my hero!! I love you very much. My only regret is waiting to call you on your birthday, if I had only known the last time we spoke would be our last... I would've memorized every word. Say hello to grandma and papa for me! Til we meet again. Love, Sherry
